We have pleasure in supplying you with your garden waste collection calendar.

Instructions: Garden waste is collected on a fortnightly basis. To ensure that you put your garden waste bag(s) out for collection on the correct days, first look below to find the collection area within which your street falls. Then, simply match this area number to the colour codes on page 25 to find your collection dates on the calendar (page 26).

If you are in any doubt regarding your collection day(s) please call **Streetline on 020 7361 3001**.

We will only collect garden waste in reusable bags or biodegradable bags issued by the Council.

Your garden waste bag(s) must be placed at the boundary of your property **by 7am** on your collection day.

Please make sure all bags are **visible from the kerb**, i.e. easily spotted by a collection operative driving past. Your emptied garden waste bag(s) will be returned to your property (note: biodegradable bags will not be returned).
