Your Civil Partnership Vows

When you form a Civil Partnership it is not a legal requirement to have a 'ceremony' or to say vows to each other. You may wish to have a simple signing, or a non-legal ceremony as part of the proceedings. If you wish to have a Civil Partnership Ceremony then you may choose from one of the following standard sets of declaratory and contracting words.

CEREMONY A

Declaratory Words: I do solemnly declare that I know of no lawful impediment why I may not form a civil partnership with

Contracting Words: I call upon these persons here present to witness that I do take thee to be my civil partner under law.

CEREMONY B

Declaratory Words: I declare that I know of no legal reason why I may not form a civil partnership with

Contracting Words: I take you to be my civil partner under law.

CEREMONY C

Declaratory Words: The Officiating Registrar will ask "Are you free lawfully to form a civil partnership with?" to which you must reply, "I am".

Contracting Words: I take you to be my civil partner under law.

Exchanging Rings

If you and your partner are using a ring/rings you may wish to incorporate some additional words whilst you exchange your rings and our recommendation is shown here. However, if you wish to include your own ring words, these will need to be approved in advance by The Superintendent Registrar.

"I give you this ring as a token of my love and a sign of the promises I make to you today."

Selection of Approved Music for Civil Ceremonies

For Ceremonies in the Brydon Room, Rossetti Room, Harrington Room and Mayor's Parlour:

A selection of pre-approved music is included in this information pack for your selection. If you wish to provide your own track of music to play, you will need to ask one of your guests to operate the device.

The music systems here at the Register Office will support any Bluetooth capable device.

For Ceremonies at an Approved Venue:

You should use our approved list of music *as a guide only*. You will be responsible for liaising with and providing your own music too, the responsible person at your chosen venue. You should list your choices of music on the 'Programme of Events' and submit it to this office not less than seven days before the date of your ceremony.

Frequently Asked Questions

While ceremonies have been permitted to resume, it is important to remember we are still amid a pandemic, so your ceremony may look different to how you previously envisaged.

1. Where do I arrive?

- On the day of the ceremony, we ask that you and your official guests arrive 15 minutes before the start of the ceremony so we can ensure, wherever possible, that it will start on time.
- You and your official guests should enter via the side entrance of the Registrars department at Chelsea Old Town Hall, in Chelsea Manor Street

2. What happens during the pre-ceremony interview?

Your registrars will need to do a short and easy interview with you and your partner before the start of your ceremony. You do not need to bring any documents with you to this interview – except in the rare circumstance that you've officially changed your name after giving notice but before getting married. This interview will be done in private and shouldn't last more than 10 minutes.

3. Can I request to be kept separate for our pre-ceremony interview?

It will not be possible for the two of you to be interviewed separately as the pre-ceremony interview will take place in the ceremony room with both of you present.

4. Do I have to wear a mask?

The Government has updated the guidance on face coverings at Marriages and Civil Partnerships in England and Wales. From Saturday 8th August 2020, guests at your ceremony will be required to wear a face covering. This applies for ceremonies taking place in Chelsea Old Town Hall or at an approved venue in the Royal Borough of Kensington and Chelsea. Face coverings are not required for the bride, groom or those becoming civil partners during the ceremony, but must be worn as you enter and exit.

5. Can I invite my photographer to our ceremony?

Yes, you may invite a professional photographer or videographer to your ceremony however they will have to be counted as one of your witnesses and/or guest. They must wear a mask and observe social distancing throughout the ceremony.

6. Can I walk down the aisle?

No, unfortunately you will not be able to walk down the aisle. Your pre-ceremony interview will take place in the ceremony room itself, and once it has been completed the two of you will remain in your seats in the ceremony room and your guests will be brought in to join you. Although we can accommodate you if you wish to have your first piece of music played whilst this is happening

7. What will happen during the ceremony?

The Government's guidelines has advised that ceremonies are concluded in the shortest time possible and only simple ceremonies should proceed. This means that:

- We will be discouraging readings taking place during the ceremony.
- If you wish to exchange rings in your ceremony, your hands should be sanitised before and after. The rings should be handled by as few people as possible.
- If possible, children should not be included in your party unless they are small enough to be held throughout the ceremony or alternative childcare cannot be arranged.
- Music can be played during certain parts of the ceremony. Live musicians can still perform however the playing of wind instruments will not be permitted, and any musicians will be subject to social distancing guidelines and will have to be included as a witness/guest.
- Due to the increased risk of transmission from aerosol and droplets, singing and/or the playing of wind instruments will not be permitted.
- As the guest numbers are reduced, consider setting up a streaming service/conferencing App so those unable to attend can still be part of your day by watching from home. Please be aware that anyone logging-in to watch the ceremony from home must **MUTE** their microphones for the whole ceremony, otherwise the noise they make will be disruptive and we may have to turn the device off. There is no WiFi for the ceremony rooms so you should use your phones data/personal hotspot for this purpose.
