Recycling at Christmas

Your guide to recycling Christmas waste

What size is YOUR carbon footprint this Christmas?

Don’t forget to recycle the following items in your clear recycling bag/recycling bank along with any wrapping paper (but not foil based wrapping paper) and Christmas cards:

If you have extra cardboard, please flatten it and place it beside your recycling bag (or inside your recycling bank) when you put it out for collection.

Make sure you recycle:

- Clean and empty glass bottles and jars (no lids)
- Clean and dry paper and card (not shredded)
- Clean and empty plastic bottles, pots, tubs and trays (no lids)
- Clean and empty food and drink cartons
- Clean and empty tins, cans and empty aerosols (no lids)

Household batteries can be recycled at all six Council libraries within the borough and at the Council Offices, Pembroke Road and the Market Office, Tavistock Road. Please see www.rbkc.gov.uk or ring Streetline on 020 7361 3001 for more information. Batteries and fluorescent lightbulbs can be recycled at Ryness stores (fluorescent lightbulbs must be intact i.e. not smashed). For more information visit www.ryness.co.uk
Recycling your Christmas tree

Last year residents recycled over 84 tonnes of Christmas trees for composting! This year the Council’s Christmas tree composting scheme is running again. From Monday 4 to Monday 18 January 2016 the Council will collect used Christmas trees to be turned into compost.

The Christmas tree collection dates are different to those for the normal recycling and refuse collection and a specific crew (not the recycling and refuse crew) will collect your tree from your home.

Please place your tree out for collection alongside your garden waste bag at the boundary of your property (visible from the kerb).

Alternatively, you can deliver your Christmas tree yourself to the following collection points between Monday 4 – Monday 18 January 2016. Please remove decorations and pots.

For those residents registered for garden waste collections, Christmas trees are collected on the same day as your garden waste. Visit www.rbkc.gov.uk/christmastrees to find out the tree collection day on your street or call Streetline on 020 7361 3001.
Christmas collections:
There will be no rubbish or recycling collections on Christmas Day, Monday 28 December or New Year’s Day. Normal service will resume on Monday 4 January 2016.

Please note there will not be any garden waste collections on 25 and 28 December 2015 or on 1 January 2016.

From the week commencing Monday 21 December the refuse and recycling collection arrangements will be as follows:

Normal service will then be resumed on Monday 4 January.

If your property has a waste storage area then you must use it, not the pavement. If you do not have a storage area, please put your rubbish and recyclables on the pavement, outside your own property before **7am** on the morning of collection **(not the night before)**.
