St Thomas’ CE Primary School
Admissions Policy 2019-20

St Thomas’ CE Primary School is a Voluntary Aided Church of England primary school that welcomes children from all sections of the community who require a Christian education. The School strives to provide the best education for its pupils, both academically and personally. St Thomas’ gives high priority to developing strong links with home, the Parish church and the wider community. It believes that working closely with the parents is vital to ensuring that children achieve their full potential.

Application form for entry to reception class through to Year 6

Common Application form
Parents and carers should complete the local authority Common Application form. On the form parents can name up to 6 primary schools. Parents need to rank the schools in the order of preference. This form must be returned to the Education Department by the published deadline. The RBKC admissions team can be contacted on 020 7745 6432/6433/6434 or email school.admissions@rbkc.gov.uk

Supplementary information form
As St Thomas’ is a Church school parents who wish to be considered under admissions criterion 5 (detailed on page 2) of St Thomas’ admissions criteria should complete the Supplementary Information Form so that the governors can consider your application fully. You can obtain this form from the school office or download a copy from our website and you must return the form to the school by 15th January 2019. The office staff will date and sign forms on the day they are received. You must ensure that the form has been signed and stamped by the relevant clergy before submission. If you do not complete the form, governors will not be able to consider your child for a Foundation Place.

Places available
St Thomas’ is a one form entry primary school. The governors have agreed with the relevant authorities that there will be a maximum of 30 children in each class from Reception to Year 6. The nursery accepts a maximum of 26 children for 26 full-time-equivalent places.

Reception class admissions
All families who would like their child to be considered for a place in Reception must apply directly through their home Local Authority. Children whose fifth birthday falls between 1st September and 31st August will be considered for entry to the Reception class in September.

Supplementary information form
Parents who wish to be considered under admissions criterion 5 of St Thomas’ admissions criteria should also complete the Supplementary Information Form so that the governors can consider your application fully. Forms can be collected from the school office or downloaded from our website and must be returned by 15th January 2019.

Deferred entry: Children will normally be admitted to the reception year in the September following their fourth birthday. In line with the Admissions Code, parents can defer their child’s entry to the reception year until later in the school year, where they have been offered a place at a school to start before they are of compulsory school age. Where entry is deferred, the school will hold the place for that child and not offer it to another child. However, entry cannot be deferred beyond the beginning of the term after the child’s fifth birthday, nor beyond the end of the Reception year. In practice this means that parents could defer entry until January for children born between 1st September and 31 December, or until April for children born between 1 January and 31 August. Parents can also request that their child attends part-time until they reach compulsory school age.
Admissions criteria for reception class

Where there are more applicants than places, then places will be offered to children in the following order of priority.

1. Looked After Children and children who were previously looked after but immediately after being looked after became subject to an adoption (or made subject to child arrangement order or special guardianship order. There must be evidence of this from the local authority.

2. Children who have a particular pastoral, medical or social need to attend St Thomas’ and who would not otherwise qualify for admission. *

3. Children who have a brother or sister (including half siblings & looked after children at the same address) in the school at the time of the application deadline for Reception admissions.

4. Children of a member of staff
   4.1 who has been employed at the school for two or more years at the time at which the application for admission to the school is made and
   4.2 or who is recruited to fill a vacant post for which there is a demonstrable skill shortage

5. After the first 4 criteria have been decided 50% of the remaining places are Foundation Places & will be given to children who, along with either one/both parents/guardian **
   5.1 habitually worship at the Church of St Thomas & St Andrew, Kensal Road ***
   5.2 habitually worship at a Church of England Church in within the Kensington Deanery
   5.3 habitually worship at another Christian church and who live within the parish of Kensal Town
   5.4 habitually worship at another Christian church ****

6. The remaining 50% are Community Places and will be given to children who live nearest the school and will be admitted in order of proximity of their house to the front door of the school using the electronic routing method used by the Royal Borough. Should a decision need to be made where more than one child lives the same distance from home to school this will be done using random allocation.

* eg children with a particular learning, pastoral, medical or social need that is supported by written evidence of a professional such as a doctor, social worker or statutory assessment. This evidence will need to be submitted with the application form stating clearly the particular reason why St Thomas’ is the most suitable school for the child and the difficulties that would be caused if the child were to attend another school.

** When splitting the remaining places if there is an odd number, then the Foundation places will be apportioned the larger number eg if there are 13 remaining places then 7 will be allocated to Foundation and 6 to community places.

*** ‘habitual worship’ refers to attendance at a Sunday service by the child along with one/both parents/guardian at least twice a month during term time over the year preceding application and confirmation of this by way of a pro forma reference by relevant clergy. If the family has been worshipping for less than one year, a pro forma reference from the previous place of worship will be required.

**** ‘another Christian church’ refers to a church recognized via membership of ‘Churches Together in Britain and Ireland, Churches Together in England or ‘The Evangelical Alliance’ (See Appendix 1)

Foundation places will be allocated first and if this category is over-subscribed, added to the Community places (5) list. Foundation places will be prioritised from 5.1 to 5.4 (see Appendix 1)

In the normal course, applicants under each of the first five criteria will be prioritised according to proximity of their dwelling place to the front door of the school using the electronic routing method used by the Royal Borough.

If multiple siblings (twins, triplets) apply for a place in the same year then both will be admitted even if this takes the class size over the prescribed number of places.

Appeals

Parents whose applications for admission are not successful are encouraged to contact the school governors for advice. Appeals against the decision may be sent to the clerk to the governors c/o St Thomas’ CE Primary School. The appeal must be lodged within 20 school/working days from the date of notification that the application was unsuccessful.
Waiting List

Children can be placed on the waiting list at the parent/carers request in accordance with the above criteria. The admission committee will use the above criteria to rank the order of the waiting list. Governors will ensure that places are allocated equally: half to community places and half to foundation places.

Children will remain on a waiting list until a vacancy arises. Annually the school will write to the family of every pupil on the waiting list and request confirmation that the place is still needed. If a reply is not received by the dead line on the letter then the school will assume that the place is no longer required and will remove the child’s name from the waiting list. The admissions committee will only consider applicants who confirm their interest.

Late applications

Late applications will only be considered if there is a legitimate reason e.g. bereavement, serious illness, move into the area, child protection. The admissions committee requests written evidence from a professional in support of the reason for lateness. The admissions committee must receive this evidence prior to the meeting of the admissions committee.

In-year admissions

Applications for In-Year admissions are made in the same way as those made during the normal admissions round. As St Thomas’ is a Church school, parents who wish to be considered under criteria 3, 4.1, 4.2, and 5.0 of St Thomas’ admissions criteria should complete the Supplementary Information Form so that the governors can consider their application fully. Parents can obtain this form from the school office or download a copy from our website. If a place is available and there is no waiting list then the local authority will communicate the governors’ offer of a place to the family. If more applications are received than there are places available, then applications will be ranked by the governing body in accordance with the oversubscription criteria, with the following modifications: children without an offer of a school place are given priority immediately after other ‘looked-after’ children. If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria [as modified above] and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available, the governing body will decide who is at the top of the list so that the Local Authority can inform the parent that the school is making an offer.

Admission of children outside their normal age group

Under paragraph 2.17 of the School Admissions Code 2014 parents may request that their child be educated out of his/her chronological age group. Such requests must be made in writing to the Chair of Governors during the autumn term in the year of application i.e. by December 2018 for entry in September 2019. Governors will consider each request on its own merits and permission will only be given in exceptional circumstances. Each case will need to be supported by a professional (e.g. GP, social worker) that gives the reason for admission outside of the chronological age group. When the application is made, it will be ranked with all the other applications and no further exceptions will be given. A statutory right of appeal will be given upon refusal if no place has been offered in any school year.

Other classes will be filled as vacancies arise but families must apply through the local authority’s central admission procedures, using the local authority’s application form. The school’s supplementary information forms for Year 1 to 6 is also required and admissions criteria will be applied to any children on the waiting list.
Nursery admissions

Parents who would like their child to be considered for a place in St Thomas’ Nursery must apply directly to the school using our Nursery application form. Parents and carers can obtain this form from the school office or download a copy from our website.

Children are admitted throughout the year at the beginning of each term following their third birthday. Most children offered a place in the Nursery Class spend three terms there before taking up a place in a Reception Class.

It is important to note that admission to the Nursery Class does not guarantee a place in the school’s Reception class, however some spend up to five terms with us.

If there are any vacant places in Nursery class during the year, we will prioritise those children who will be 4 years old before 31st August. After this, we will consider children who have become 3 years old in the previous term and apply the admissions criteria below if this group is over-subscribed (children who become 3 between 1st September to 31st December will be considered for a place to start in the spring term, children who become 3 between 1st January & 30th April will be considered for a place to start in the summer term). Please be aware that children will start with 15 hour places and build up to 30 hours. This could take a week or 2 terms depending on the child’s or parents’ needs.

Allocation of places

The nursery accepts a maximum of 26 children for 26 full-time-equivalent places. Places will be allocated on a first come first served basis under the following criteria:

1. Siblings
2. Distance from the school

All applications will then be determined in one of the following categories:
(Refer to Appendix 2)

Category A – children of parents where both are employed or single parent families where the parent is employed and are entitled to a 30-hour eligibility code under the government childcare scheme. School meals (£10.50 per week) will be an additional cost. Parents can apply for their eligibility code up to 16 weeks before the child’s third birthday. The code must however, be renewed by 31st August and given to the school before the child starts in September.

Category B – families who do not qualify for an eligibility code but has a high level of income e.g. couples where only one parent is working or full time students in Higher Education. Families in this category will be charged a fee of £100 per week plus the cost of meals (£10.50 per week).

Categories C and D – Subsidised scheme. The school is able to offer 14 spaces in total in these categories:

Category C – Partially funded scheme. The school is able to offer spaces in this category based on individual circumstances at the reduced cost of £25 per week including the cost of meals. Admission in this category is at the discretion of the Headteacher and all decisions are final.

Category D – Children who are eligible for free school meals or have additional needs e.g. special educational needs (SEN) or social needs. Parents who wish to take up 15 hours only can also apply under this category.

Once a place has been offered, we will invite the parent(s) to meet with our Admissions Officer to discuss their eligibility for categories listed above. Parents must inform the school of any change in their circumstances (e.g. if they either stop or start work) as families may be either be entitled to a free 30 hour space or a subsidised space. If parents initially believed they are eligible for a funded space and they are not, they may be asked to pay. If parents wish to remove their child from the Nursery, they must give a minimum of one term’s notice in writing.
