Where to obtain the information you need

Each September all local authorities provide information for parents that sets out the admissions process and procedures.

This leaflet has been produced to provide you with some basic hints and tips on the application process and as a first point of reference to obtain more detailed information.

The Council’s brochure will be available online from the beginning of September at [www.rbkc.gov.uk/schools/admissions](http://www.rbkc.gov.uk/schools/admissions)

The brochure explains the application process in detail and sets out the admission criteria for each school in Kensington and Chelsea.

Where possible, parents/carers are encouraged to access information online. You can also obtain more detailed information from each of the secondary schools by either attending open days/evenings, or visiting their websites.

All the contacts you will need can be found in the local authority brochure where the schools are located.
If you have not already done so, you must research the schools that you are interested in applying to.

You can do this by:

- Reading the admission criteria to find out if your child is likely to be offered a place, and look at how places were offered in the previous year.

- Attending open days/evenings held at the schools. The dates and times are included in this leaflet.

- Checking if the schools you want to apply to require your child to take a test.

- Checking if the school requires additional forms to be completed (this would normally apply to church schools).

- Speaking to your primary school head teacher. They will have experience based on previous transfers and the schools their pupils were offered.

- Contacting the Admissions Team for advice if you are unclear on how the system works. You will find contact details on the inside cover of this leaflet.
Familiarise yourself with the admission criteria for schools

When you begin researching schools, you will need to read the admission criteria for the school(s) you want to apply to. The admission criteria is often very different for each school so you must read the criteria carefully in order to assess the likelihood of your child being offered a place.

To give you some examples of what to check for:

- Church schools will give priority to applicants that can demonstrate practice of the respective faith if they receive more applications than places available.
- There are schools that will require your child to sit a fair banding test.
- Not all schools give priority to siblings so you will need to check this first.
- If you feel there are exceptional medical and/or social reasons you want to be considered, you will need to check the school has this as a criteria.
- Distance from home to school is often used as a tie-breaker, but there are schools that use random allocation (lottery).
- Some schools have a priority area and/or feeder primary schools.

These are some factors that you need to be aware of when deciding which schools to apply for.

In all cases, if a school receives more applications than places available, the school’s admission criteria must be applied. There is no guarantee that your child will be offered a place at your preferred school, even if it is the closest school to where you live.
You can apply for up to six schools

Please remember that you can apply for up to six schools. Even after you have researched the schools and you have decided where to apply, unless you are 100 per cent sure that your child will be offered a place (for example there will be a brother or sister on roll and the school lists this as a priority in the criteria), you should not assume that your child will be offered a place. You should also consider other schools where you know you will have a good chance of gaining a place.

Adding further schools to your list will not affect your chances of being offered a place at a higher preference school. Schools are not informed of other preferences you have made or the order you place them.

Take special care how you order your preferences

The school preferences you make are treated equally. This means that no matter where you place a school in your list of preferences, it will be treated in the same way as all other applicants who also chose that school – regardless of where they have placed the school in their list.

It is important that you list schools in the order of your preference. The reason for this is because if more than one offer of a school is returned to us, you will be offered the school that is listed the highest. For example if preference 2, 3 and 4 are returned as ‘Offer’, only preference 2 will be offered. Preference 3 and 4 offers will be withdrawn and put back in the coordinated system for other applicants. Your child’s name will be placed on a waiting list for Preference 1 as this school could not make an offer.
Do I need to provide additional information?

There are some schools, usually church schools, which require you to complete a Supplementary Information Form (SIF). The SIFs for Kensington and Chelsea schools will be available from the individual schools and on the Council website.

The secondary school brochure states which schools require a SIF and/or any other documents. The online system will alert you when you enter a preference for any school that requires additional forms to be completed.

You must return the SIF and any other documents to the school. Be sure that you also name the school in your list of preferences.

You must submit your application on time

You must submit your application by 31 October 2019. If you submit your application after this date without a valid reason, your application will be considered after all of those which were submitted on time. This will greatly affect your chances of being offered the school you want.

Will I definitely be offered one of my preferences?

You might not be offered one of your preferences, but to increase your chances of being offered one of your preferred schools, you must research the admission criteria for the schools you are interested in.

You should put at least one school in your list where you are reasonably certain your child meets the criteria.
As examples, this could be if there is a sibling already at the school and this is a high priority indicated in the school’s criteria. Also, if your nearest school offers the majority of its places based on distance, then you are encouraged to add to your list of preferences.

As the majority of schools in the borough and neighbouring boroughs will be full, any application you submit at a later stage may mean you will not qualify for a place but will be added to a waiting list.

For further advice you can speak to the Admissions Team or the school who will be able to offer you guidance on the likelihood of your child being offered a place based on the information you provide. It is not possible to give any guarantee of the outcome of your application.

What happens to the preferences that I have not been offered?

Any preferences lower than the offered school will be withdrawn as these schools would have been placed back into the coordinated system and offered to other applicants.

You will automatically be placed on the waiting list for higher preference schools that were not able to offer your child a place. You also have the right of appeal to an Independent Appeal Panel against the decision not to offer your child a place at your preferred school(s).
