## 8. Fair Access Admissions

If it is not possible to secure a school place within 6 weeks of registering an in-year application your case may be referred for a placement in accordance with Fair Access arrangements. Further information can be found in the guidance notes on page 8. If it is necessary to make a referral, the Fair Access Panel will need as much information as possible to make an informed decision.

Please indicate if your child (select all that apply):

Is a refugee/asylum seeker

Is homeless

Is a traveller

Is a carer

Is known to the police or is returning from the criminal justice system

Has had attendance problems

Has a disability or medical condition

Is seeking a place in year 11 (see note below)

**Note:** Please note that it is very disruptive to a child's education to transfer to another school during Year 11 and where possible you are advised to avoid such a move. For all year 11 applications you are asked to provide a report from their present or previous school indicating your child's level of achievement and attainment. This information is required to determine the most appropriate educational provision at this stage of their statutory schooling.

## 9. Additional Information – including any medical or social needs

Please use this space to state reason/s for applying for a school place in year. If your child has special needs or requirements that the school would need to be aware of please detail below and attach additional evidence if appropriate.

I wish to apply for a place at the schools named and in the preference order listed on this application.

I certify that I am the person with parental responsibility for the child named above and that the information given is true to the best of my knowledge and belief.

## For completing the Secondary In-Year Admission Common Application Form

---

### 1. Details of Child

Proof of address – The address listed on the form must be the address where your child normally lives. The address of a grandparent, other relative or any person looking after your child during the day must not be used. If you are resident in one of the two boroughs we will seek to check your residence against council tax records.

If you are resident in another borough, or if you are not registered for Council Tax you will need to provide proof of your address with your child's application. Evidence that will be acceptable includes a mortgage/tenancy agreement, recent utility bill in your name (within last 3 months), Child Benefit (if eligible) or Inland Revenue documents.

### 2. Details of Parent or Carer

This section should be completed by the main parent or carer, who has parental responsibility for the child. Optional second contact details can be supplied for cases where the main contact may have difficulty in communicating with the Admissions Team and permission is given to act on their behalf. If there is a dispute as to the main carer due to a separation or Family Court proceedings, the Admissions Team will make a decision based on evidence submitted.

### 3. Children in Public Care

Children in Public Care (Looked After Children) and children who have been adopted or made subject to a residence order or special guardianship order immediately following having been looked after receive priority for admissions to school. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

The child's social worker must submit a letter to the School Admissions Team confirming the legal status of the child and the local authority to which the child is/was in care, quoting the child's full name, date of birth and current address. If your child was adopted from outside the UK, having been in state care please provide evidence available to you – with translations for our consideration.

### 4. Background Information

A child who has an Educational, Health and Care Plan must contact the Special Educational Needs Team or equivalent team in their home authority for guidance on procedures relating to moving schools.

### 5. Educational History

Please ensure that this section is fully completed failure to do so may delay the processing of your application. The Admissions Team reserves the right to contact the previous or current school for further information.

### 6. School Preferences

Please remember you are applying for schools at a time when places have already been allocated, so you will need to be aware that schools that you may prefer, or are closest to your home, may not be able to offer a place. Admissions Officers will be able to offer you guidance on schools that may have vacancies or short waiting lists within the two boroughs and beyond.

If you feel there are exceptional reasons for your child to be considered as a priority on a waiting list for a particular school, you must indicate this in the area provided or in the Additional Information box on part 9 of the form. All requests for priority consideration must be supported by a professional, such as a doctor or a social worker. Please be aware that not all schools have this criterion in their admissions policy.

If your child has a sibling (brother or sister) who is currently on roll at your preferred school you must include their details where requested. The definition of sibling is indicated in the admission criteria for each school. Relatives such as cousins, uncles and aunts are not considered as siblings, even if they are at the same address.

Those schools that are participating in the locally agreed co-ordinated in year admissions scheme are listed in Table 1 on the next page. You can name any of these schools on this Common Application Form. Those schools that also require a supplementary form (SIF) are marked with an asterisk\*. The SIF is available directly from the school.

## 7. Child who has entered or re-entered the UK in the last 6 months

Please provide details of the date your child entered the UK if within the last 6 months. The Admissions Team reserves the right to ask for additional evidence confirming the basis upon which a child has been admitted to the UK and their present residency status.

## 8. Fair Access Protocol

We would like to ensure that any child resident in Kensington and Chelsea or Westminster without a school is secured a suitable place as soon as possible. A referral for a school placement in accordance with Fair Access arrangements is made by the Admissions Team. A parent/carer cannot request a Fair Access referral or placement.

Referrals are only made for children without a school place. In most cases, a referral is made

when it has not been possible to secure a school place that is considered a reasonable distance from the home address within 6 weeks of registering an application. It may also be as a result of a school refusing admission based on previous school history, such as an exclusion or behavioural problems.

## 9. Additional Information

Please provide information you feel is relevant to the reasons for your application including expanding on any exceptional reasons why your child should be considered as a priority for your preferred school.

## 10. Declaration

The application will not be valid unless it has been completed by the parent/carer with parental responsibility.
