

Basement Developments - Owners' Survey

The development of basements under existing housing is a matter of considerable concern to many residents - the results of this questionnaire will provide vital information in addressing these issues.

Please note: any analysis carried out and published by the Council using this information will make no reference to individual properties or streets, and the questionnaire responses themselves will remain confidential.

Q1 Property details

Address of property which is the subject of this basement extension.

Q2 Details of basement

When was the basement completed?

Q3 How long did the development take?

Up to 6 months

6 to 12 months

12 months or longer

Q4 Visual impact of the finished basement

Please include a photograph of how the property looks now that the extension has been completed, for example the area beneath which the basement has been built, light wells, roof lights and plant associated with it.

Thank you for completing this survey, please return it in the envelope provided.
