Subject: RE: LDF Consultation

"Hammersmith and Fulham Council note the Core Strategy vision (CV 5) and priorities for actions (paras. 5.3.3/4) for a Crossrail station at Kensal and for vehicular access to the west onto Mitre Way near Scrubs Lane in LB H&F in order to improve the public transport accessibility of the site. Whilst H&F considers that Kensington and Chelsea's Proposed Submission Core Strategy is sound, it may have to be reviewed in the light of future DfT decisions on HS2 and links to Crossrail."

I hope this clarification meets your concerns.
